

Servant Leadership -- April 2022 -- Ongoing Equity Learning Session

Intro Summary to Topic	<p>Servant leadership is a leadership model taught in the PSCI 381S Community Leadership in Action class. It is one of the three pillars of the class along with collective impact for systems change and exploring racial identity development models.</p> <p>Servant leadership is a framework for leading that puts the people a leader works for at the center of everyone's work. It prioritizes the full person and the people most marginalized or compromised in a community.</p> <p>Information is from the Robert K Greenleaf website www.greenleaf.org</p>
